

USED BARREL VALUATIONS

This is an on-site barrel valuation. It includes the following review for small or large quantities of barrel inventories. If the barrels are full of wine, the barrel construction is verified. If the barrels are empty, the valuation may include sensory verification.

BARREL CONSTRUCTION

- Inspect for Cracks and Damage
- Inspect Head Integrity
- Verify Barrel Age
- Inspect Exterior for Mold and Bacteria
- Verify Makers Mark

SENSORY EVALUATION

- Inspect Bung Hole
- Aroma Evaluation
- Inspect Interior for Mold and Bacteria.
